

The slide has a light beige background with a dark red horizontal band at the top. A white feather graphic, similar to the one on the first slide, is positioned on the right side, pointing downwards. The title "Workshop Objectives" is centered in a black serif font. Below the title is a bulleted list of three items.

Workshop Objectives

- Familiarize Tribes with Clean Water Act Section 319 – Nonpoint Source Pollution Control Program and funding procedures
- Provide examples of on-the-ground implementation projects that address water quality
- Integrate nonpoint source pollution issues on a watershed level
